Dear Steve,

I just wanted to drop you a quick line to say thank you so much for your help & understanding with my problem in finding my Son.

I cannot explain the breakthrough that this will mean to me to finally manage to get the ball rolling again to try to get access to my Son.

Your service has been prompt and excellent and I can only thank you again.

I would also like to add, thank you for trusting my character by giving me the address before receiving payment that was a very kind gesture and a nice measure of trust.

Please find the cheque enclosed as promised for the full amount.

I may require as mentioned some further services from you so please be kind enough to keep my file active at this stage.

Many thanks for your time & I look forward to hearing from you and seeing the report.

Kindest regards,

A [REDACTED]
