Your Ref.

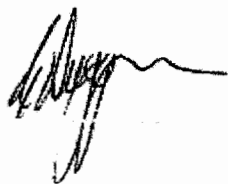

Dear Sirs

We have been asked by Mr Steve Wood of Able Investigations to provide a reference for him.

This practice has only been running for four years but during that entire period we have primarily used Steve Wood for process serving, tracing of debtors and general agency work such as forfeiture of Leases.

During that time we have never once been let down by Mr Wood or his firm and we have found him courteous, helpful, punctual and most importantly effective. I would recommend him.

Yours sincerely

PATRICK DUGGAN
