Dear Sirs

RE: ABLE INVESTIGATIONS & ENFORCEMENT SERVICES LIMITED

We have been asked to provide a reference for the above named Company and we do so happily.

We were initially introduced to Able Investigations through a third party and we have, since then, instructed them in relation to the service of documents and to carry out investigation work on behalf of our clients. Over time we have transferred all of our process serving work to Able Investigations as we have always found their service to be prompt, efficient and extremely good value for money. Able Investigations provide a professional service and are also receptive to the particular demands of specific cases. We would not hesitate to recommend them to anyone else.

Yours faithfully
